Tooth Whitening	From	Plan Cost
------------------------	-------------	------------------

Vital bleaching is usually for the whole arch (upper or lower, or both). The fee quoted covers consultation, construction of models, bleaching guards and tubes of whitening gel. Some particularly severe cases may require additional or more concentrated gel at extra cost. Additional gel can be supplied, under supervision, for later "top-up" treatment if necessary.

Non-vital bleaching is done inside the tooth, usually to a single dark tooth.

Vital bleaching	Both arches	£385.00	NOT INC
Additional bleaching gel	Per tube (Night16%/Day6%)	£27.50	NOT INC
Non-vital bleaching	Per tooth	£330.00	NOT INC
