Benefits of joining our children's membership

Our dental membership encourages regular visits for your child to maintain healthy teeth and gums for life, identifying potential issues early to prevent costly treatments. By becoming a member, you can spread the cost of your child's routine care through affordable monthly Direct Debit payments. This is more cost-effective than pay-as-you-go appointments and secures your child's place at our practice. Your child is guaranteed:

Dental health examinations: Thorough assessments for optimal oral health, X-rays when necessary, and regular clinical checks for early oral cancer detection.

Global Dental A & E Scheme enrolment: This discretionary scheme provides patients with dental care or treatment assistance in the event of a dental accident or emergency.

Preferential fees & benefits: Get a discount on routine treatments, and your child can have longer appointments with the dentist and hygienist. For more benefits, ask the practice team for details.

	Children's Plan (6 - 18 year olds)
Number of dental examinations per year	2
Routine x-rays included	✓
Fluoride varnish application and fissure sealants (if required)	✓
0 - 5 year olds are free if there is at least one adult on a plan	
Cost per month	£7.99

How do I join a membership?

You can sign up for our membership by visiting our website or contacting our friendly reception team in person or by phone. Please speak to a member of the reception team if you would like more information.
